

## **Wood Creek Phase III Restoration Project**

### **Wood Procurement Request for Proposals**

#### **Questions and Responses**

1. Do Prevailing Wage terms apply to all activities associated here:

- Loading off-site
- Unloading on-site
- Hauling between load & unload

**Response:** NRLT sent an inquiry to DIR regarding this question, and as of this time, has not received any responses. Ultimately, it is the responsibility of the Contractor to make this determination. NRLT directs you to the DIR FAQ available at the link below regarding hauling of materials:

[https://www.dir.ca.gov/division/Hauling-under-Labor-Code-Section-1720.3\\_FAQ.pdf](https://www.dir.ca.gov/division/Hauling-under-Labor-Code-Section-1720.3_FAQ.pdf)

2. Is it possible for some of the redwood logs be 18-24" instead of 14-18"?

**Response:** Please refer to [Addendum 1](#), which increases the maximum allowed diameter to 24 inches.
