Northcoast Regional Land Trust Pint Night at Paskenta Mad River Brewing on Friday, July 25th!

Eureka, CA – On **Friday, July 25th**, the **Northcoast Regional Land Trust (NRLT)** is teaming up with **Paskenta Mad River Brewing** in Blue Lake for **Pints for Nonprofits**, 5 p.m. – 8 p.m. \$1 of every beer sold will go directly to NRLT’s wild and working land conservation work!

Enjoy **live music by Billy & the Flames** at 6:30 p.m. and support local conservation and restoration efforts. This is part of **NRLT’s 25th Anniversary** event series, with community events on the 25th of each month through October. With 10 conservation easement projects in progress, imminent groundbreaking on the third phase of Wood Creek restoration at Freshwater Farms Reserve, and more, now is a great time to celebrate NRLT’s successes and raise vital funds for land protection, restoration, and education.

Attendees will also have the opportunity to **enter into a free giveaway for two tickets to this year’s Summer Celebration benefit concert with Huckleberry Flint on Saturday, August 9th!** Just speak with an NRLT representative at the Pint Night to enter the drawing; a winner will be announced at 8 p.m. More information about the Summer Celebration can be found at

www.givebutter.com/huckflint2025.

Where: Paskenta Mad River Brewing 101 Taylor Way, Blue Lake, CA 95525

When: Friday, July 25, 2025, 5:00 p.m.- 8:00 p.m. Live Music by Billy and the Flames 6:30 – 7:30 p.m., and Summer Celebration giveaway drawing at 8 p.m.

Why: To support wild and working land conservation! \$1 from every beer sold goes to NRLT.

Come out to celebrate and support our beautiful and bountiful local lands. **Cheers to 25 years!**

The Northcoast Regional Land Trust is a non-profit organization dedicated to the protection and economic viability of working landscapes, farms, forests and grazing lands, and to the preservation and protection of land for its natural, educational, scenic and historic values. We work with landowners on a voluntary basis to promote stewardship of Northern California’s healthy and productive resource base, natural systems and quality of life.
